Our student members just held an election to replace the vacant seat on the SEB Council.

Our student members just held an election to replace the vacant seat on the SEB Council.

Aja Grande has been elected to serve the 2019-2020 term. **Karsten Fur** will be our Student Rep-Elect and will assist Aja this year with student initiatives within the Society and will then serve as the next Student Rep during the 2020-21 year. Congratulations to both of them!
